

Folk Art Fair at Sharlot Hall Museum

The Folk Art Fair has been held at Sharlot Hall Museum for over 40 years. It is usually held the first weekend in June. The Festival is designed to show the crafts and skills that were important in the early days of Territorial Arizona. The Guild has participated for many years.

The 2nd Vice President will recruit a Chairperson for this event.

At this event Guild members demonstrate weaving, spinning and other related fiber arts on Saturday and Sunday. Participating members are encouraged to wear period dress and need to bring their own equipment and supplies for the demonstrations.

For additional information on this event, please contact the 2nd Vice President.
