

Guild Participation At Yavapai Fair

The Yavapai Fair takes place each September over a full weekend at the Prescott Rodeo Grounds. Guild members are asked to demonstrate weaving, spinning, and other related fiber arts that represent small group studies. Participants may use either the guild or their own equipment. Providing samples is beneficial for opening dialogue, but not required. In the past, the guild has occasionally been asked to provide a judge for the contest's fiber arts categories.

The venue is in a weather-protected barn. Metal chairs and a table are available upon request. Parking and entry to the fair is free to demonstrators. Please contact the Yavapai County Fair at (928) 899-6056 or by email at Yavapaifair@gmail.com to obtain the contact information for the organizer's contact information.

The 2nd Vice President is responsible for recruiting a chairperson for the Guild's participation in this event.
